

Entering Metro West Region events 2022-23

Log into Bowslink by scanning the QR code below or go to the webpage <https://www.bowslink.com.au/>

If you have not logged into Bowslink before or forgot your password follow the reset PW process. If you do not receive a PW reset email contact your club administrator or email the Championship Committee to update the email listed in your Bowslink profile.

Scan the QR code below to access the 5 minute you tube instruction video:

For entering team events you will need the BA National ID number of your team members which they can find from their Bowslink account or by contacting their club administrator or emailing the Championship Committee.

The screenshot shows the Bowslink website interface. On the left is a dark blue sidebar menu with the following items: Member Overview, Edit Profile, Account, Notes, Competitions (with 'My Competitions' sub-item circled in red and labeled '1'), Events, and BowlsLearn. The main content area shows the user 'Yarraville Footscray Bowling Club' (labeled '2') and the user name 'GARRY BALL'. Below this are tabs for 'In Play', 'Entered', 'Available' (circled in red), and 'Completed'. A search bar contains 'metro west' (labeled '3') and a 'FILTER' button. Below the search bar, a table lists competitions with columns: Competition, Dates, Type, Format, Organising Body, and Actions. The first two rows are for 'Metro West Regional Events 2022/23' (Men's Novice Singles and Women's Novice Singles). The 'Actions' column for the first row has a circled icon (labeled '4') with a tooltip that says 'Enter Competition'. The table also shows a 'Remove all filters' button and a 'Rows: 25' dropdown.
